

ACKNOWLEDGEMENT

“Good Industry Practices – Ceramic Tiling” was first published in 1999. Inputs were obtained from main contractors, tiling sub-contractors and members from the various professional associations, including the Real Estate Developers’ Association of Singapore, Singapore Institute of Architects, Singapore Contractors Association Ltd and Society of Project Managers.

We would like to thank the following contractors and organisations who have contributed in the first edition of this publication.

| | |
|------------------------------------|--|
| Dragages Singapore Pte Ltd | Kumagai Gumi Co. Ltd |
| Obayashi Corporation | Shimizu Corporation |
| Sim Lian Construction Co Pte Ltd | SsangYong Engineering & Construction Co. Ltd |
| Sysma Construction Pte Ltd | Thian Sung Construction Pte Ltd |
| Tiong Aik Construction Pte Ltd | Woh Hup (Pte) Ltd |
| C.B.K. Construction Pte Ltd | Earth Arts Pte Ltd |
| Housing and Development Board | City Developments Limited |
| Far East Organization | TY Lin (South East Asia) Pte Ltd |
| China Construction (South Pacific) | |

In the first edition of this publication, a Technical Committee for Good Industry Practices for Ceramic Tiling was formed to endorse the good practices identified. We wish to again express our gratitude to the members for their contributions.

Technical Committee for Good Industry Practices for Ceramic Tiling
