FUNCTIONS & SCOPE OF THE CONTRACTORS REGISTRATION SYSTEM (CRS)

**Functions of CRS**

1. The CRS is administered by the Building and Construction Authority ("BCA") to serve the procurement needs of government departments, statutory bodies and other public sector organizations including first level sub-contractors involved in government projects. Except for Regulatory Workheads (RW), CRS functions as an administrative body only for the public sector procurement. As such, business entities which are not registered with BCA are not restricted from conducting business as contractors or suppliers outside the public sector.

**Scope of Registration**

2. There are seven major registration categories, namely Construction Workhead (CW), Construction-Related Workhead (CR), Mechanical & Electrical Workhead (ME), Maintenance Workhead (MW), Supply Head (SY), Trade Head (TR) and Regulatory Workhead (RW). There are 7 financial grades for CW, 6 financial grades for CR, ME, MW, SY and single grading for CR01, CR03, CR15, CR17, CR18, TR and RW. Please refer to respective Specific Registration Requirements ("SRR").

3. With effect from 1 April 2020, MW will be renamed as Facilities Management Workhead (FM). A new FM01 workhead will be introduced with 4 financial grades while the existing MW02, MW03 and MW04 will be renamed as FM02, FM03 and FM04 respectively. Please refer to SRR for MW and FM for more details.

### APPLICATION DETAILS

**Application Procedure**

4. The SRR specify in detail the registration requisites. An Applicant shall only be defined as a sole-proprietorship, partnership, limited liability partnership, limited partnership or company and shall not include an individual. Applicants who wish to apply for registration must read these Terms of Registration ("TOR") and the SRR carefully which can be found from this link [www.bca.gov.sg/Professionals/Procurement/procurement.html](http://www.bca.gov.sg/Professionals/Procurement/procurement.html). In submitting the application, Applicants shall be deemed to have agreed to these TOR and the SRR.

5. Applicants can submit the CRS applications online at [www.bca.gov.sg/eBACS](http://www.bca.gov.sg/eBACS). The submissions should include every item in the checklist in the correct sequence. It is the Applicant’s responsibility to ensure completeness of the submissions, including the provision of a valid email address. Incomplete or non-compiled submissions may be disregarded. Applicants will be informed if the submissions are incomplete or not in order.

6. Registered Firms may apply for upgrading or apply for additional workheads at any one time provided they meet the SRR of the respective workhead(s). The validity for such applications will remain unchanged (refer to para 46).

**Processing Fees**

7. The processing fee inclusive of GST (Table A) is non-refundable irrespective of the application result. Payment can only be accepted through VISA, MasterCard or i-Banking for all online transactions.

**References**

8. In submitting the application, the Applicant will authorise BCA to make all necessary enquiries relating to the Applicant. Applicants are required to attach scanned references from the clients/consultants of the projects. BCA may also obtain further information from the Applicant’s references (i.e. auditors, banks, former clients and/or consultants who supervised the works of the Applicant) either by requesting the presence of such persons or sending officers from BCA to the Applicant’s head office (local or overseas) for further verification. All flight/transport, accommodation (overseas), incidental and service charges, shall be borne by the Applicant. If no references are forwarded, BCA will complete the processing based on the available information.

**Processing Time**

9. If the submission is complete and is in order, the outcome of the application may take 2 weeks (except for B2-A1, L5-L6, M1-M3 and applications that require overseas verification).

10. Registered firms are encouraged to apply for renewals early once they have received the reminder letter about two months before the expiry date of their registration. Processing is on first-come-first-serve basis.

**Outcome of Application**

11. Upon successful application, BCA will publish the Applicant’s name, workhead, grade and such other details deemed appropriate in the BCA e-directory at [https://www.bca.gov.sg/BCADirectory/](http://https://www.bca.gov.sg/BCADirectory/).
REGISTRATION REQUIREMENTS

Track Record and Performance

The Applicant must attach scanned copies of awards, purchase/work orders, substantial completion certificate or letter confirming the start of defects liability period, latest payment certificate and client’s endorsement to substantiate to BCA’s satisfaction of these track records.

14. Main contracts and nominated sub-contracts should generally form the substantial portion of the track records. Please refer to the SRR for details. Trade Head require endorsement from two main contractors registered with BCA.
